

# MAINTENANCE PACKAGES

The Magic of Lighting | Keep it Glowing

## Find a Package that is Right for you and your Lighting System....

**Platinum** is the package that lets us be on top of time changes and gets your system ready for the winter months. Peace of mind on an extended 5 Years warranty on your new system and no more problems or burnt bulbs/lamps during the Season.

**Gold** is the best deal to keep your system under extended warranty and with less burnt bulbs/Lamps during the season.

**Silver** is the most popular package our customers sign up for, you will always be ready for your next party.

**Bronze** is the most cost efficient package but lets us maintain your lighting system to meet your needs.

**\*\* This Package do not apply for Systems using LED lamp's**

### Did you Know?

- LED lamps use 80-90% less energy and last 10 to 15 times longer than Halogen.
- Any existing lighting system of halogen and other existing bulbs can be retrofit to LED Lamps.
- Can you believe a 20 Watts halogen lamp is just a 6 Watt LED.
- Now you can control your lighting system by a smart phone or tablet ask us how.

Find the right package for you, JC Group will take full care of your Landscape Lighting System. Let us keep your night with a glow, just sit back and relax
