

MAINTENANCE PACKAGES

The Magic of Lighting | Keep it Glowing

Find a Package that is Right for you and your Lighting System....

Platinum is the package that lets us be on top of time changes and gets your system ready for the winter months. Peace of mind on an extended 5 Years warranty on your new system and no more problems or burnt bulbs/lamps during the Season.

Gold is the best deal to keep your system under extended warranty and with less burnt bulbs/Lamps during the season.

Silver is the most popular package our customers sign up for, you will always be ready for your next party.

Bronze is the most cost efficient package but lets us maintain your lighting system to meet your needs.

**** This Package do not apply for Systems using LED lamp's**

Did you Know?

- LED lamps use 80-90% less energy and last 10 to 15 times longer than Halogen.
- Any existing lighting system of halogen and other existing bulbs can be retrofit to LED Lamps.
- Can you believe a 20 Watts halogen lamp is just a 6 Watt LED.
- Now you can control your lighting system by a smart phone or tablet ask us how.

Find the right package for you, JC Group will take full care of your Landscape Lighting System. Let us keep your night with a glow, just sit back and relax.
